

## What is Virtual Job talk?

Job Talk is an easy way for job ready customers to obtain information on immediate job openings.

Workforce Coordinators will be available to provide referrals to current job openings, job search information, job fair information, and access to employment and training resources!

## What is the Benefit of Attending Virtual Job Talk?

In addition to job leads, employers are often present at Job Talk to speak about their current job openings, explain how to apply, and answer customers' questions.

Customers should register ahead of time and be prepared to take notes.

The public is also welcome!

## Virtual Job Talk Schedule

**First and Third Tuesday of the month at 1:30pm**
