

Youth Workforce Development Program

Job Preparation and Placement Programs for Youth

PRIDE Industries can help you build the career you want. We offer multiple services to help you gain skills and overcome obstacles.

Job Skills Assessment

We'll help you determine the skills required for the career you want. And then we'll help you find the right programs to develop those skills.

Employment Preparation

Our job developers will help you access tools, achieve goals, and map out a long-term plan for career success.

Career Exploration

From resume writing to interview practice to picking the right outfit, your support team will help prepare you to land the job you want.

Subsidized Employment Program

Eligible participants can receive up to 250 hours of job training and experience through paid employment.

Program Eligibility

- 16-24 years of age
- Citrus Heights resident
- Individuals and families whose annual income is less than 200% of the federal poverty income level
- Possess I-9 documentation
- Have transportation to and from designated service or employment location
