

Refugee and Immigrant Career Development

RAISE is a dedicated case management program available to refugees and immigrants within Sacramento

01 Enrollment

Receive a comprehensive assessment to pursue a career in:

- Building Trades & Engineering
- Early Childhood Education
- Transportation
- Healthcare
- Finance

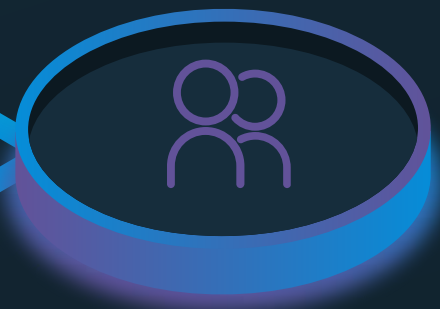

02 Career Planning

Work alongside a professional career coach to chart your path to certification and career entry

03 Case Management

Work 1-1 with your dedicated career coach and remove barriers to career entry

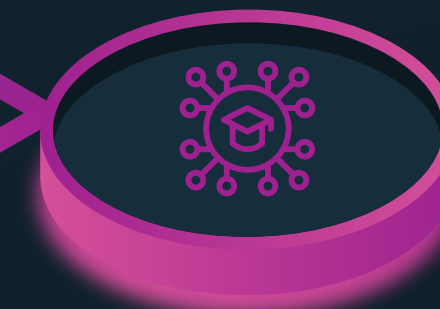

04 Career Readiness Class

Attend Career Readiness classes including resume development, interview preparation, and networking classes taught by local industry experts

05 Training and Certification

Receive financial coaching, financial assistance, and enroll in local career training leading to in-demand credentials

06 Mentorship

Work one-on-one with professional mentors to expand your professional network, job search, and pass certification tests

07 Career Placement

Career entry assistance including job search assistance and referral to a wide range of local employers across the RAISE network. On average, placed participants receive a 130% wage increase
