

# WE ARE HIRING!! YOUTH 18-27

## PLANTING AND MAINTENANCE FIELD TECHNICIAN

### About

The Temporary Field Technician (April 2023- November 2023) will work outside with the Sacramento Tree Foundation to gain valuable skills for working in the landscape, tree care, and wood milling industries. Training provided on native tree identification, tree care, and milling operations.

Part-time hourly (\$17.00)/non-exempt positions available : two 8-hour days per week working outside (Tuesday and Wednesday), plus one 4-hour half day (Thursday) receiving training and support in occupational skills

### What You Need

- Must be between 18-27
- Must be a resident of the City of Sacramento
- Willingness to work in a physical outdoor job
- Ability to lift 50 pounds
- Interest in learning about native plants
- Training Program for youth looking to gain skills and experience in a critical industry
