Join Our Team

Atlas Disposal Industries was established in March of 1998, by a group of property owners, in response to the new recycling mandates that were passed by the State of California.

Quickly, Atlas Disposal became the best choice for waste management in Sacramento based on responses from local companies. We pride ourselves on being independently owned, locally operated, and aimed at preserving our spaces.

This WIOA Title I financially assisted program or activity is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individual with disabilities. Call 711 for relay service.
